## Advanced Resuscitation

*"Some medical emergencies require a higher level of care. Tailored training can provide skills that maximise the chances of a positive outcome"*

**'Advanced Resuscitation'** is tailored specifically to those people with access to oxygen equipment & is invaluable due to the real-world medical experience our instructors hold – participants will gain practical training that is **truly relevant in an emergency, provided by instructors who have dealt with REAL medical emergencies** & have both medical & teaching qualifications.

### COURSE AIM

The **'Advanced Resuscitation'** course will provide participants with the skills & knowledge to manage life-threatening medical emergencies, requiring oxygen & advanced airway care.

### CONTENT

Based on proven emergency practice and taught by instructors with real-world medical experience, the course consists of:

- Various first-aid legislation & requirements
- Respiratory anatomy & function
- Lack of Oxygen (hypoxia) & its causes
- Advanced airway management for first-aiders
- Oxygen use during resuscitation
- Equipment use & maintenance
- Helping emergency services

### PRE-REQUISITES

Current First Aid qualification (or equivalent).

### DELIVERY & DURATION

**'Advanced Resuscitation'** is a highly 'hands-on' & practical course, tailored to critical first aid emergencies. Equivalent to 4 hours face-to-face & available for large or small groups. *Training can be done at your choice of location* (home, school, workplace).

### TESTIMONIES

*"Having the equipment & using it are 2 different things. I feel a lot more confident."*

*Kevin, Council Lifeguard*

### RE-CERTIFICATION

½ day every 12 months.

### RECOGNITION & COSTS

Students receive a nationally recognised certificate listing the competency PUAEME003B – Administer oxygen in an emergency situation. Recognition of Prior Learning (RPL) is available as appropriate.

Price on application. A 20% deposit is required on application, with full payment required one (1) week prior to the course. Students will receive detailed handouts.
