Pool First Aid

"35 children under the age of 5 drown in Australian pools every year. Tailored training can maximise their chances of survival"

'Pool First Aid' is tailored specifically to those people with a pool & is invaluable due to the real-world first aid experience the instructors hold – participants will gain practical training that is **truly relevant in a pool emergency, provided by instructors who have dealt with REAL pool emergencies** & have both medical & teaching qualifications.

COURSE AIM

The *'Pool First Aid'* course will **provide participants with the skills & knowledge to manage the five (5) most common pool emergencies.**

CONTENT

Based on proven first aid practice and taught by instructors with real-world first aid experience, the course consists of:

- Pool legislation & regulating authorities
- Cardio Pulmonary Resuscitation (CPR)
- Drowning & Near drowning
- Spinal injuries
- Head injuries
- Retrieving victims from the water
- Helping with emergency services

PRE-REQUISITES

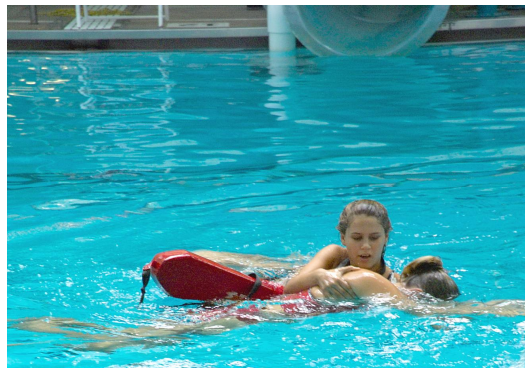

Nil. Anyone can attend.

DELIVERY & DURATION

'Pool First Aid' is a highly 'hands-on' & practical course, tailored to suit pool first aid emergencies. It is 4 hours long & available for large or small groups. *Training can be done at your choice of location* (home, school, workplace).

TESTIMONIES

"Very well run. I feel a lot more confident"
Courtney, Council Lifeguard

GROUP PLAN

Organise a group of seven (7) or more for *'Pool First Aid'* & the organiser's training is **free** of charge.

RECOGNITION & COSTS

Students receive a nationally recognised certificate listing the competency HLTCPR201A – Perform CPR. Recognition of Prior Learning (RPL) is available as appropriate. This course also counts as credit towards other first aid qualifications such as; Senior, Occupational & Pool First Aid).

Price is \$60 per person (inc GST). Full payment is required prior to the course. Students will also receive handouts & a CPR poster.
