

Outdoor Access Pty Ltd

Specialist Consultancy & Accreditation

PoolGuard

"Approximately 43% of all drownings occurred in 'still water'. The initial actions undertaken during a pool emergency are vital to long term outcomes. Tailored training provides skills that maximise the chances of a positive outcome"

"PoolGuard" is tailored specifically for 'Professional Pool Lifeguards' to manage pool emergencies & maintenance of facilities. It is invaluable due to the real-world experience instructors hold – participants will gain practical training that is **truly relevant in a pool environment, provided by instructors who have**

dealt with REAL pool emergencies & have medical & teaching qualifications.

COURSE AIM

The *"PoolGuard"* course will **provide participants with the skills & knowledge to work as professional pool lifeguards, whilst managing pool related emergencies & facilities.**

CONTENT

Based on proven emergency practice and taught by instructors with real-world medical experience, the course consists of:

- Relevant legislation & requirements
- History & responsibilities of lifeguards
- Pool rescue techniques
- Supervisory & admin requirements
- Spinal injury causes & prevention
- Structure & function of the spine
- Emergency spinal management
- Working with emergency services

PRE-REQUISITES

Current First Aid qualification (or equivalent).

DELIVERY & DURATION

"PoolGuard" is a highly 'hands-on' & practical course, tailored to pool emergencies. **Equivalent to 4 days (but can be done in 2 days if students hold current qualifications in AED + ARC + Spinal care)** & available to any size group. *Training can be done at your choice of location (workplace, pool).*

TESTIMONIES

"Great training. Really hands-on & focused specifically on pool related emergencies & standards."
Harry, Council Pool Lifeguard

RECERTIFICATION

1 day every 12 months.

RECOGNITION & COSTS

Students receive a nationally recognised certificate listing the competencies; *SRXEMR001A – Respond to emergency situations, SRCAQU007B – Respond to an aquatic emergency using advanced water rescue techniques. SRCAQU006A – Supervise clients in an aquatic facility or environment.* Recognition of Prior Learning (RPL) is available as appropriate.

This award meets industry requirements as detailed in *NSW Dept of Local Government 'Practice Note 15 (Water Safety) 2005'.*

Price on application. A 20% deposit is required on application, with full payment required one (1) week prior to the course. Students will receive detailed handouts.
